About Phoenix

Phoenix is Leicester’s centre for independent cinema, art and digital culture. We are a charity and all our earnings go back into developing our creative programmes. At Phoenix we believe film and art have the power to enhance our lives, and we aim to make Phoenix a place where everyone can feel welcome and inspired.

Our menu

All our food is freshly prepared and cooked to order. We work with suppliers in the area and source ingredients locally whenever we can. As well as this menu, we also offer a delicious range of daily specials.

Our meat comes from award winning butchers Owen Taylor, who are supplied by farms across the East Midlands.

Our sourdough bread and English muffins come from Hambleton Bakery, an award-winning regional bakery specialising in artisan bread.

Event catering

Phoenix offers rooms to hire for meetings and events, private parties, and group bookings, and our Café Bar offers catering for these and other private functions. For more information contact – [hires@phoenix.org.uk](mailto:hires@phoenix.org.uk)
