COMING NEXT WEEK

HAMNET (12A), Screening from Fri 9 Jan

★★★★★ – Telegraph. **Hamnet** arrives on a wave of critical acclaim and an almost deafening ‘Oscars buzz’. Jessie Buckley and Paul Mescal deliver stunning lead performances in Chloé Zhao’s (**Nomadland**) heart-rending adaptation of Maggie O’Farrell’s best-selling 2020 novel, following the relationship of William Shakespeare and his wife, Agnes, from their first meeting to the tragic death of their son. Simply breathtaking.
